Asian Cuisine Products

Jim Food has masterfully developed a product suite of traditional cuisine originating in various regions of the world. As experts of the North American ethnic foodservice market, we have perfected several Asian protein-based options: **Yakitori** (Japanese Chicken), **Shogayaki** (Japanese Ginger Pork), **Bulgogi** (Korean BBQ Beef), **Beef Rendang** (Indonesia), and **Chicken Satay** (Indonesia). These Asian dishes are ideal for diverse foodservice models, available for product positioning nationwide.
